

"Bravo girl! You went into the big world and saw lots of wonderful things but in the end you discovered that being home was the best place of all."

GRAPETTE THE RUNAWAY WHO ROLLED AWAY

*To all my friends,
"I made an important
discovery—worth much
more than seeing the
world. I discovered that
my mama loves me very
much and I love her
too, no matter what
happens."

*"There's no place
like home!"*
